## VBA State of the Association 2022

As I sit here and reflect over the hard work and effort of the VBA over the last 9 months. To open almost 2 million acres of public land for Sunday hunting. I think what if the VBA was no longer around who would be the voice in Richmond fighting for us Bowhunters? The IBO? While the IBO has some great tournaments where have they been? Don't they have a bowhunter defense fund to help with bowhunting laws? I have not seen them in Richmond at the Pocahontas building standing in front of Senators and Delegates to lobby on our position. Not Just Sunday hunting but fighting to keep the air bow out of the Archery season, fighting the Bear Tag and the Muzzle loaders encroaching on our best week of Archery season. Again, I ask Where were they? As a Bowhunter the VBA is your Main and only Defense in Richmond period! While we have had some growing Pains over the years our future is bright, we are back!! If your only concern is target shooting sure join one of the National organizations IBO, ASA NFAA etc. If you are like most of us who also love to Bow hunt the VBA is your organization for \$22.00 a year that's it! You help provide your Voice on the Legislative process. We currently have Mr. Lowell Hertzler form BOR sitting on the Black Bear Advisory Board for the DWR Representing You!!! In the coming months we are looking at our State Tournaments and working on a plan to revamp them and possibly going to Belt buckles for awards. I am asking the Hunting VP and the Hunting Committee to start laying the Groundwork with our new friends in Richmond to Lobby for a Youth and Apprentice Bowhunting weekend in September and to also start a VBA sponsored youth and apprentice hunt. I am also asking the delegates to create a new appointed position for a Legislative Liaison That will serve as the go to for the legislative process and help prioritize what we need to be looking at each year and to help direct and advise myself the hunting VP and the board as to what is going on with the various proposed hunting laws. I would Like to thank Larry Readal VBA publicity director, Curt Lyttle and Sean Clarkson for their hard work in Richmond for us. I would like to thank each of you that took the time to call and email your senators and delegates. Lastly we are a getting stronger financially and we will be around for a long time to come with your support.

Yours in Bowhunting

Shannon Nesselrodt – President   
Virginia Bowhunters Association

## From the Executive Vice President

Hello Spring, I hope everyone is well and ready to pluck a string and send some arrows at some paper and foam, I have had a wonderful start to the outdoor season and I am hoping it continues all year. My very first field target was almost picture perfect, at least for me, and I don't usually shoot that much 3D but I shot the VBA State Spring Classic and did fairly well coming second but the most enjoyable thing I have done is to help with the Sportsmen of the Valley Youth event held at Rockingham County Fairgrounds. They had around 100 young guns take part and not only did they have a blast so did I, I will help with this event anytime they ask even if it did cost me a day of shooting at the Spring Classic.

Don't forget that the VBA State Open is coming up May 21-22 at Prince William Archers, hope to see you there. The Fall 3D Classic will be held on Aug 20-21 at New River Archers and the State Closed will be held September 3-4 at Manahoac Archers. And please don't forget to go to as many shoots as you can at your local clubs, they need your support to continue all of the activities that you are accustomed too.

With remorse I need to tell you of the passing of Dave Burpee former Vice President and Order of the Golden Feather Coordinator. He passed on May 2nd from complications of cancer, please keep his family in your hearts and prayers. He will be dearly missed.

Terry Ballowe  
Executive Vice President 

## *Sportsmen For The Valley Youth Event*

# From the Field Vice President

The 2022 tournament season is off to a great start with no COVID restrictions.

The State Indoor was hosted by five clubs with a total of 127 shooters and 11 state records broken. The Board of Directors would like to thank Prince William Archers for making their facility available to Belvoir for the shoot. We would also like to thank Lowell for taking the lead on tabulating and distributing the final scores to all the clubs. I encourage all VBA members to go out and support not only the state shoots but the individual club shoots.

List of upcoming events:

Spring 3-D Hosted by BOR on April 30 and May 1

State Open Hosted by Prince William Archers on May 21 & 22

Fall 3-D Hosted by New River on August 20 & 21

VBA Meeting June 12-Bids for the 2023 season will be taken

Remember, the VBA is your organization and needs your support and participation to prosper.

Jim Little, FVP 

## AGENDA ITEMS

### AGENDA ITEM TO BE PRESENTED AT NEXT QUARTLEY MEETING

Change Article 4. GOVERNMENT to read

Section 4.1. Composition

The government of this association shall be vested in the board of directors of one Director of each affiliated club or commercial shop, elected officers of this association and immediate past President of the association. A quorum of the board of directors shall be a direct representative of his/her club or group. No director can represent more than one club or group and voting shall be one vote per club. A club must have a director present at a meeting to vote. Elected/appointed officers will be allowed to vote on behalf of their home club when their director is absent. The President or in his absence, the presiding officer [see section 5 paragraph a. for order of precedence] shall cast the tie breaking vote.

### JUSTIFICATION FOR MOTION

The smaller clubs feel that they do not have a fair say in the running of VBA. Even though we have smaller numbers we are still one club as with the larger clubs are one club with more members. Items voted on should be based on each club

### AGENDA ITEM TO CHANGE THE SCHEDULING SESSION

Pg 5 Article 4. Field Vice President change paragraph 2 to read

He shall be responsible for conducting a scheduling session prior to the September meeting. An Excel spreadsheet will be sent to each club with State shoot dates and meeting dates on it. Clubs can enter shoot dates. The sheet will be updated as needed to keep all zones in line. At the September meeting the final sheet will be voted on for approval.

# From the Hunting Vice President

It is my honor to have been appointed to fill a recent vacancy and to be given the opportunity to help the VBA Executives, Chartered Clubs, VBA Pro-Shops, and you (the membership) as the work continues to chart the way forward here in Virginia. Most of you don't know me, but I hope to change that.

I love to bowhunt. Virginia is the best State in the union and has a lot to offer a bowhunter. My father introduced me to bowhunting public land at a young age, and even though he is no longer around I spend many hours in a tree each year thinking about him, our relationship, and the passion he gave me. But like anyone with a passion, I want to learn more, continue to improve, and try new things. I am interested in getting into bowfishing so I am educated on what the VBA may need to pursue on that track, but also to expand on personal knowledge, as well as getting more time in the field with sticks and strings. If you know bowfishing or have an interesting story to tell about it, write an article for FLIGHT magazine and submit it to Terry so it can be published in a future edition. Your insights could benefit others so please share. Or you can reach out to me, help me get setup for bowfishing success, TAKE ME OUT, and I will write an article (paid outfitters need not apply).

Now down to some business...As the Hunting Vice President, it is my responsibly to establish the standing "Committee on Bowhunting" who will work with the Hunting VP to fulfill this positions responsibility for all of the hunting aspects of the VBA. Hopefully, you have heard about the recent success of the VBA's pursuit and execution to get Sunday Hunting opened up on public land in Virginia. These efforts and future efforts like this one require inputs and assistance from you, our membership. I am aware of a few folks who have been engaged and helping to keep the VBAs inputs to the Virginia Department of Wildlife Resources (DWR) <formerly the VDGIF>, as well as affecting positive change with the Virginia hunting legislation. I appreciate all of those effort, and I hope to build on this work with more hearts, minds, and participation. If you have some time and desire to keep positive change going, I am requesting that you reach out to me directly (dkorbini@massanuttenarchery.com or 303-619-2835 Mobile) to join the "Bowhunting Committee". You can also reach out through a message to the VBA's Facebook Page: <https://m.facebook.com/VirginiaBowhuntersAssociation>. Don't hesitate to come up to me at the range and introduce yourself. We need all levels of participation to take the actions which are in your interests and to the benefit the sport we love. Go to your club meetings, ask them what bowhunting changes they would like to see, and bring that information to our committee. I value and need your input and assistance to make a difference.

See you on the range and in the field.

Danny Korbini, VBA Hunting Vice President

## AGENDA ITEMS CONTINUED

### JUSTIFICATION

With clubs already getting together prior to the meeting to schedule dates this will make things move better as they can go in and schedule dates any time prior to the meeting to work around other clubs. All problems can be handled ahead of time. This will also make it where clubs do not need to send a rep to the Saturday night meeting and we may not need a Saturday meeting at all.

# From the Publicity Director

VBA Clubs and Members: SUNDAY HUNTING! It's about time, Virginia! I'd like to personally thank CURT LYTLE (Dixie) and SEAN CLARKSON, not only their own efforts in fighting this battle, but for their support, determination, and knowledge in assisting VBA (and educating me personally) to help push this over the finish line! VBA's email and Facebook campaign ran from January thru March and THANK YOU to all members that took action! VBA was one of 15 organizations that were signatories on Letters of Support to both the VA House of Delegates and the Senate, and VBA thanks JOHN CULCLASURE of the Congressional Sportsmen's Foundation for leading that effort! It clearly made a difference, as did all the individual efforts of VBA members.

This entire campaign just shows that ADVOCACY, in the form of an organized approach, and including multiple mechanisms to influence archery and hunting in the state of Virginia, is a large part of the value that VBA provides its members and Clubs! I would encourage you to get hunters and archers you know to join your Club, another Club, or as an Associate Member so they too can help VBA make the changes we would all like to see!

Our next big events are the Virginia State 3-D Championship Spring Classic (Apr 30-May 1 at Bowhunters of Rockingham), the Virginia State Field Championship Tournament (May 21-22 at Prince William Archers) and the VBA BANQUET on June 11 at the AMVETS in Harrisonburg. Come on out and win one of THREE BOWS, a RIFLE, or a youth bow for an archery/hunting kid you know. We're working on a muzzleloader too! It will be a hoot!

# From the Office of the Order of the Golden Feather

I would like to congratulate Tony Hall as the newest member of the OGF. Tony was accepted at the September meeting and will be inducted at the June banquet. There were no nominations this year so there will be no OGF meeting in September. If anyone has any information on any OGF member please let the OGF office know so I can keep records updated. I am in the process of downloading the books that Dave Burpee put together on all OGF members. Dave spent many hours of work to collect all this information. Keep in mind those few who work hard for archery. All nominations need to be presented at the next March VBA meeting, then voted on by the club delegates at the June meeting and at that point the nominee will be sent to the OGF for final vote at the September meeting.

OGF Coordinator  
Jim Little

## Walley and Winne's Wild Turkey with Morel Mushrooms

### Ingredients

- 2 pounds of cleaned turkey breast, sliced crosswise about 1/4 in thick
- 2 cups of fresh morels sliced
- 2 eggs beaten
- 1 cup flour
- 1/4 cup canola oil
- 2 cup Pinot Grigio wine (1 for the Turkey and 1 for you)
- 1/4 cup fresh chopped parsley
- 1 tablespoon of chopped fresh tarragon (or one tsp dried)
- Salt and pepper to taste
- 1/4 cup chicken broth
- 1 lemon cut into quarters for squeezing

### Directions

1. Place the seasoned turkey filets in the flour and shake off the excess. Then dip them into the egg mixture.
  2. Preheat the oil in a heavy sauté pan or Dutch oven. Carefully place a few of the egg coated breast filets into the hot oil and slightly brown. Turn and brown the other side and remove and place on a warm platter. Brown the remaining breasts and do the same.
  3. Now take the morels and gently dust them with the remaining flour and fry them until they shrink to half size.
  4. Place all the breasts back into the pan and reduce heat to medium. Add the herbs and salt and pepper.
  5. Deglaze the pan with a little bit of the white wine. If there is some left drink it.
  6. Add the stock and simmer for about 25 minutes until the breasts are tender. The liquid will thicken slightly and make a delicious sauce for topping the breasts.
  7. Squeeze the lemon over the turkey to enhance the flavor.
- I like to serve them with Yukon gold smashed potatoes or rice pilaf.

## ORDER OF THE GOLDEN FEATHER

### NOMINATIONS DUE IN MARCH

The VBA Order of the Golden Feather was created to honor those persons who have given unselfishly of their time and talents toward the betterment of archery and archers. Recipients are persons who possess the virtues of sportsmanship, character, morals, integrity and friendship. As a reflection of the substance for membership, only 86 people have been elected to the Order in the past 78 years.

To be qualified, a candidate must be member in good standing of the VBA at the time of nomination, must have a minimum of ten successive years' membership in the VBA and must be sponsored by three VBA members of good standing or by a VBA Club.

This article is a reminder that candidates must be submitted to the Board of Directors at the March meeting for this year. Nominations must be in writing and be signed by sponsoring individuals or a Club officer. Successful nominees have always performed duties or had an impact outside their immediate club.

Details can be found in Article 16 of the VBA By-Laws.
